european bathrooms

Armando Vicario, situated in Northern Italy close to the magnificent Lake Orta, is a family-owned and operated company. It was founded in 1974 to produce outstanding kitchen tapware. But over time was extended to a full bathroom collection. A new path was created, characterised by outstanding results and entrepreneurial challenges aimed at making products innovative and exclusive.

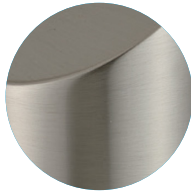

10 SPECIAL FINISHES

Armando Vicario offers their products in 10 special finishes with the Glam range. This gives freedom in design when planning your bathroom. Pick a traditional chrome faucet for a timeless style or be adventurous with the unique Safari finish.
