ARMANDO VICARIO

Armando Vicario, situated in Northern Italy, close to the magnificent Lake Orta, is a family owned and run company. It was founded in 1974 to produce outstanding kitchen tapware, but over time, its production was extended to a full bathroom programme. A new path was created, characterised by outstanding results and entrepreneurial challenges aimed at making the products more innovative and exclusive.

 DESIGNED AND MANUFACTURED IN ITALY

RAW

With it's eye-catching, industrial form and subtle details, Raw's unmistakable design commands attention in any kitchen setting. This bold but tasteful faucet can easily become the centrepiece of any kitchen.

TIVOLI

Emperor Hadrian made Tivoli his home, where he built a villa with magnificent archways. The curved Tivoli faucet resembles the symmetrical lines of these archways. This faucet will turn your kitchen into an art gallery and make a statement in design and functionality.
