# ARMANDO VICARIO

Armando Vicario, situated in Northern Italy, close to the magnificent Lake Orta, is a family owned and run company. It was founded in 1974 to produce outstanding kitchen tapware, but over time, its production was extended to a full bathroom programme.

A new path was created, characterised by outstanding results and entrepreneurial challenges aimed at making the products more innovative and exclusive.

 DESIGNED AND MANUFACTURED IN ITALY

# LAGO

The Lago Collection presents an elegant, versatile and timeless design. Lago's unique aesthetic appeal is achieved by a perfect balance of angular lines and soft sweeping curves.
