TECE[®]

close to you

Tece is a family-owned German business with headquarters located in Emsdetten. They have over 30 years of experience. Tece's core competency is easy to explain; Water in, water out. – Feed water into the building and then back out again – with that pioneering spirit so typical of the company.

GROWN ORGANICALLY

Decades of success are based upon Tece's innovative energy and long-standing customer relationships with partners in business, trade and real estate.

FREEDOM IN DESIGN

The functional and aesthetic demands on bathrooms are increasing in all living spaces. That is why freedom in design is more important than ever.

WATER IN, WATER OUT

TECE's core competency is easy to explain. Feed water into the building and then back out again – with that pioneering spirit that is so typical of the company.

LUX MINI

The TECElux mini is an electronic glass flush plate for the TECE cistern. The flush actuation is touch-free or by means of a light tap on the button area. The approach sensor recognises when a person approaches the toilet, and activates the illumination of the button area, additionally serving as an orientation help in the dark.
