TECE[®]

close to you

Tece is a family-owned German business with headquarters located in Emsdetten. They have over 30 years of experience. Tece's core competency is easy to explain; Water in, water out. – Feed water into the building and then back out again – with that pioneering spirit so typical of the company.

GROWN ORGANICALLY

Decades of success are based upon Tece's innovative energy and long-standing customer relationships with partners in business, trade and real estate.

FREEDOM IN DESIGN

The functional and aesthetic demands on bathrooms are increasing in all living spaces. That is why freedom in design is more important than ever.

WATER IN, WATER OUT

TECE's core competency is easy to explain. Feed water into the building and then back out again – with that pioneering spirit that is so typical of the company.

SURFACE FINISHES

New refined surfaces are finding their way into the world of fittings and accessories.

Combined with wall claddings, ceramics and textiles they create a high-quality bathroom ambience of character. These looks can now be consistently combined – with the current TECE surface finishes for toilet flush plate in...
