# TECE<sup>®</sup>

close to you

Tece is a family-owned German business with headquarters located in Emsdetten. They have over 30 years of experience. Tece's core competency is easy to explain; Water in, water out. – Feed water into the building and then back out again – with that pioneering spirit so typical of the company.

### **GROWN ORGANICALLY**

Decades of success are based upon Tece's innovative energy and long-standing customer relationships with partners in business, trade and real estate.

### **FREEDOM IN DESIGN**

The functional and aesthetic demands on bathrooms are increasing in all living spaces. That is why freedom in design is more important than ever.

### **WATER IN, WATER OUT**

TECE's core competency is easy to explain. Feed water into the building and then back out again – with that pioneering spirit that is so typical of the company.

# ONE

The TECEone shower toilet includes water flow and temperature regulators mounted on either side of the ceramic bowl. This allows for intuitive operation so users can tailor the properties of the shower toilet to suit their own preferences. TECEone has also been designed to meet the demands of planners, architects, fitters and operators. Its compact design ensures efficient, secure and simple installation.
