close to you

Tece is a family-owned German business with headquarters located in Emsdetten. They have over 30 years of experience. Tece's core competency is easy to explain; Water in, water out. – Feed water into the building and then back out again – with that pioneering spirit so typical of the company.

### **GROWN ORGANICALLY**

Decades of success are based upon Tece's innovative energy and long-standing customer relationships with partners in business, trade and real estate.

### **FREEDOM IN DESIGN**

The functional and aesthetic demands on bathrooms are increasing in all living spaces. That is why freedom in design is more important than ever.

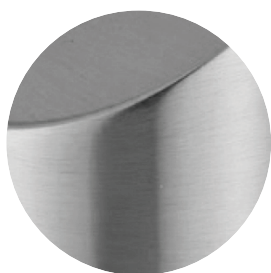

### **WATER IN, WATER OUT**

TECE's core competency is easy to explain. Feed water into the building and then back out again – with that pioneering spirit that is so typical of the company.

## SURFACE FINISHES

New refined surfaces are finding their way into the world of fittings and accessories.

Combined with wall claddings, ceramics and textiles they create a high-quality bathroom ambience of character. These looks can now be consistently combined – with the current TECE surface finishes for toilet flush plate in...

# PLANUS

The TECEplanus flush plate made of stainless steel is robust and especially vandal-proof. A concealed screw further protects it against theft. So they are particularly suitable for public sanitary areas, restaurants or hotels. Their especially compact dimensions and elegant design harmonise with any mood.
